This year following two successful events in 2024 and 2025 the RNC will hold an informal get-together for fully paid-up club members at the premises of A W Lymn Limited in Nottingham, where the company will display a number of its luxury Rolls Royce vehicles along with its exclusive collection of No 1 registrations.

This will not be a competitive event, but in a thank-you to our loyal club members the 'get-together' will be **FREE** to join, but you must complete and return this form to Karl to receive a pass to access the venue. Sorry ... **NO PASS** ... **NO ENTRY** ... due to security and insurance at the premises, and due to limited space we can only accept **ONE** vehicle per member but you can bring as many photo displays as you like.

I will attend with the following registration.

If you wish to bring photo displays as well, please indicate the registrations here.

Alternatively scan this QR code to complete the form on your mobile device by **Friday 19th June 2026** at the latest for inclusion in the event listing.

Please return the completed form to **Karl Formstone, RNC Membership Secretary, 4 Sealand Avenue, Garden City, Deeside, Flintshire CH5 2HL** to arrive by **Friday 19th June 2026** at the latest for inclusion in the event listing. You will receive an entry pass to access the venue.

See 'The day in detail' on the club website for more exciting information about the event
